The Court noted that on May 5, 2011, the UST had filed a notice of presumption of abuse under 11 U.S.C. § 707(b). The debtors filed a response on May 25, 2011, and the UST filed its motion to dismiss on June 6, 2011. On June 29, 2011, however, the debtors had filed a motion to convert the case to one under Chapter 13 case, and given interested parties a deadline of July 22, 2011 to object. Counsel for the UST indicated that conversion would resolve the presumption-of-abuse issue. The Court indicated that it would adjourn the hearing to a date following the objection deadline, so that it could verify that no parties had objected. Counsel for the debtors indicated that if no one objected, he would immediately file an affidavit of no objection and proposed order so that the Court could remove the hearing from the calendar. The Court adjourned the hearing to August 1, 2011 at 11:45 a.m. by telephone.
